

# WE'RE HIRING ENTERPRISE FELLOWS IN ARCHITECTURE... INTERESTED?

## ADVANCE YOUR UNSTOPPABLE CAREER.

### BASED IN

Adelaide, South Australia – one of the world's most liveable cities

### POSITION

Full-time, continuing opportunities

### SALARY

Competitive salary plus 17% superannuation

### Seeking outstanding Level C and D Academics in Architecture

If you are an outstanding, established academic, who is actively seeking to enhance your research, passionate about excellence in teaching, and looking to extend your national and international leadership in your field at a university that values partnering, this is a unique opportunity to be part of the inaugural cohort of **Enterprise Fellows – Level C and D Academics** at UniSA, Australia's University of Enterprise.

**Image L-R:** Dr Jacinta Johnson, Lecturer in Pharmacy, UniSA Clinical & Health Sciences, Dr Chris Brisbin, Program Director: Bachelor of Architectural Studies/ Master of Architecture, UniSA Creative, Jennifer Stokes, Senior Lecturer: UniSA Education Futures and Dan McLean, Program Director: Bachelor of Design (Product Design), UniSA Creative

<sup>1</sup> ComparED (QILT) Course Experience Questionnaire 2019-20, Architecture and Built Environment (Postgraduate). Public universities only.

## ABOUT THE ROLES

Enterprise Fellows will have a majority research focus and will lead and deliver high quality research outcomes that translate to impact for our partners and society. They will be active members of our Academic Units, research centres or institutes, contribute to an exceptional teaching and student experience and link their research to course delivery and undergraduate and postgraduate program outcomes.

**Architecture** is part of **UniSA Creative**.

Architecture at UniSA has a rich history and foundational origins as the first Architecture program in South Australia - we have been offering Architecture programs for 115 years. Our Architecture researchers contribute to the **Australian Research Centre for Interactive and Virtual Environments** and UniSA's node of the **Australian Housing and Urban Research Institute**, and we are home to Australia's only **Architecture Museum**.

Ranked No. 1 in Australia for teaching quality in Architecture<sup>1</sup>, UniSA is home to highly respected academics and practitioners, producing some of the State's finest Architecture graduates.

Architecture at UniSA is based at our City West campus, located in the heart of Adelaide's thriving creative cultural hub.

UniSA is looking for Enterprise Fellows in Architecture - Level C and D academics to join this flagship area of success for the University.

Enterprise Fellows in Architecture will bring creative, critical and professional lenses to research problems, and will possess excellent interdisciplinary and translational skills. They will have strong national research profiles and emerging international profiles, along with strong leadership skills and the ability to build and mentor research teams for collective success across UniSA Creative and UniSA.

The workload allocations for these positions will be negotiated on an individual basis. It is intended that these positions will be Research Academic positions with a teaching allocation initially and over time will transition to a balanced teaching and research workload.

Preferred areas of research and practice expertise include:

- Computational design-architectural informatics;
- BIM (Building Information Modelling) and digital twins;
- Smart cities and buildings;
- Building analysis and simulation;
- Design prototyping and fabrication;
- Digital humanities;
- Architectural heritage;
- Design and social values;
- Socio-technical building performance;
- Social sustainability;
- Design behaviour and cognition;
- Design collaboration;
- Empathy in design;
- Design practice; and
- End-user engagement.

Enterprise Fellows will be expected to participate in existing UniSA research centres and activities, including:

- **UniSA's Australian Research Centre of Virtual and Interactive Environments (IVE);**
- **UniSA's node of the Australian Housing and Urban Research Institute (AHURI);**
- **UniSA's Creative People Products and Places Research Centre (CP3);**
- **University of South Australia Architecture Museum; and**
- **UniSA Creative's Design Construct program.**

## HOW TO APPLY

For further information about the position or the recruitment process go to [unisa.edu.au/enterprisefellowsrecruit](https://unisa.edu.au/enterprisefellowsrecruit), contact the UniSA Recruitment Central Team on **+618 8302 1700** or email [recruitment@unisa.edu.au](mailto:recruitment@unisa.edu.au) using job reference number **2889**.

**Applications close: Monday 31 May at 11:30pm (Adelaide time)**

*We are committed to increasing the diversity of our people, so we strongly encourage female applicants, people with a disability and/or Australian Aboriginal Peoples to apply.*
